INCOMPLETES

Undergraduate students in Letters and Science must remove the grade of I (Incomplete) by the end of the fourth week of classes in the next semester (excluding summer) the student is in attendance. All other undergraduate students and most special students must remove the Incomplete by the end of the next semester they are in attendance. Incompletes that are not removed by the deadline dates lapse into a grade of F (Failure). The deadlines for removal of Incompletes may be extended with approval of the student's Dean's Office. Graduate and professional students are not subject to the above Incomplete deadlines. Students who are not in attendance for a five year period after an Incomplete is received may not remove the Incomplete without permission from the student's Dean's Office. These Incompletes remain on the record as Permanent Incompletes and do not lapse into failure.

LAW SCHOOL GRADES

The Law School has its own grading scale. Law students entering in 2005 and thereafter are given letter grades of A+, A, A-, B+, B, B-, and so on through F.

Law students entered in 1992 through 2004 were graded on a numerical scale of 65 through 95. Letter grade equivalents during that time period are as follows:

87-95	A	77-79	C
85-86	AB	70-76	D
83-84	B	65-69	F
80-82	BC		

From 1970 to 1992, the following grading system and letter grade equivalents were used:

87-100	A	70-76	D
82-86	B	0-69	F
77-81	C		

Detailed information concerning Law grades is available from the University of Wisconsin Law Schools Registrar's Office

SCHOOL OF MEDICINE AND PUBLIC HEALTH GRADES

Detailed information concerning a student's grades, relative class standing and clinical performance is available upon request of the student from the UW-Madison School of Medicine and Public Health Student Services Office. The grade of IF is available only to medical students in School of Medicine and Public Health courses.

THE HONORS PROGRAM

Some Schools and Colleges have developed special Honors programs that replace or supplement the designation of awards based on grade point average along. These programs encourage and recognize work of greater depth, scope, and originality by undergraduate whose abilities and interests make them eligible. The content and pace of honors courses are adapted to students who have chosen to do intensive work (either of an accelerated or enriched nature) in the subjects. The programs are entirely voluntary.
